WORK EXPERIENCE

Helpdesk Specialist

Nordic Telecom / O2
2021 - 2026

- **Besides the usual helpdesk agenda** (Incoming calls and emails trouble tickets, mail/web hosting, IT support)

- **I Identified a bug** on 5G NR modem firmware defect causing outages every 10-20 hours and designed a workaround that reduced incidents by 70%.
- I wrote the documentation adopted by the hardware manufacturer and O2 as the official “report”.
- Recognized as Employee of the Year 2026.
- **Performed UAT** on internal CRM systems and customer-facing web portals (front-end focus).
- **Conducted black-box** testing of new hardware (routers, outdoor antennas) from end-user and technician perspectives.
- **Reported and tracked defects in Jira**; collaborated with developers on reproduction steps.

Web Development Volunteer

With the real estate agent Martin Socha
